Catering Menu

Bowl Food / Finger Buffet

'Bowl food' is a great alternative for an evening event, more than a canape, less filling than a full buffet option. This allows guests to still be able to stand and chat whilst eating and reduces the amount of tables and chairs for people to sit and eat.

(V) – Suitable for vegetarians (N) – May contains nuts

Potato wedges (V)

Sticky sausages in honey and mustard

Lamb koftas on flatbread

Mini fish & chips

Mini burgers/hot dogs
